

REPUBLIC OF TURKEY

MINISTER OF NATIONAL DEFENCE

Ankara.

As you might be aware, IDEA'91 3rd International Defence Equipment and Aviation Exhibition will be held in ANKARA between 13-17 NOVEMBER 1991.

IDEA'91 gets support from my Ministry for the successful accomplishment of the appropriate technology suitable to the defence requirements, in which, as in the previous IDEA'87 and 89 exhibitions, the airshows of the aerobatic teams will take place.

I would like to have honour of inviting you to participate in activities and social events of IDEA'91 which would give an opportunity to discuss defence matters to further improve our cooperation and industrial relations in defence field. In case you could not participate one or two representatives of yours would be most welcomed.

In this regard, We would be appreciated if the Italian aerobatic team namely Pattuglia Aerobatica Nazionale is able to participate in IDEA'91 to perform an airshow.

Please, accept, your Excellency, the assurances of my highest consideration.

Yours Sincerely,
