Dear Sir,

I would like to thank you personally for the heartily welcome and all the arrangements you provided me with, during my visit to the IDEA's Exhibition.

I was very impressed by the organisation of this exhibition and by the general support you gave to the installation of the IEPG stand.

This defence equipment fair and the contacts I had, gave me a good opportunity to better understand the various aspects of the challenges we will face in the coming years in these very sensitive fields.

Thank you once again and I wish you a lot of success in your business.
