THE REASONS WHY YOU SHOULD PARTICIPATE TO THE IDSL-24

- It is held in Ankara, capital city of Republic of Türkiye, the decision-making center of all state institutions and logistic units.
- You can present your products and services to the officials from procurement units of ministry of national defense, general command of gendarmaria, and general directorate of national security.
- You can communicate with authorised logistic and procurement officers face to face.
- You can introduce and market your products.
- You can start cooperation dialogues with authorised procurement officers from Europe, Asia, North Africa and Turkish Republics.
- You can attend office meetings with government officials and your sectoral partners, if you request so.
- You can evaluate the expectations from you in seminars.
- This exhibition was organized with new concept of exhibition, instead of an extended one. Exhibiting the products in the list in the communique issued under the framework of the law no: 5201, will increase your success and the overall success of the exhibition.

Please fill the application form in the annex and take your place on this platform in time, by contacting ABC. Best regards,
